Objective

Education

2013 – 2016 :- University of the West Indies, Mona Campus : B.Sc. Computer Science, minor Economics (First Class Hons.). Awarded Karl Robinson Award for Top Performer in 2016 graduating class.

2006 - 2013 :- Graduate of Harrison College, Barbados:

- Twelve CSEC subjects including: Mathematics, English, Information Technology, French, Spanish, Principles of Business and Technical Drawing.
- Eight CAPE subjects: Computer Science, Economics, Caribbean Studies, Communication Studies, Mathematics

Experience

(July 2016 – Present) Junior Achievement Jamaica – **Technical Officer**

- Focus on digitizing the core work processes, including financial management and human resource management, in converting them to online systems for easier information management. Integrated software such as Smartsheet and G Suite.
- Engaged in the development of web and android applications using Java, Node.js and HTML, as well as interaction with server operating systems using FreeBSD and Windows Server.
- Systems administration, as well as oversight on software solutions to be implemented within the organization.

(September 2016 – December 2016) The University of the West Indies, Mona– **Adjunct Tutor**

- Taught second year Computer Science students Computer Networking, in the course “COMP 2190 – Introduction to Computer Networking”

(summer 2014) Digicel Barbados – **Topup and Recharge Intern.**

- Train laypersons to use Digicel’s new topup vending software, E-Pin.
- Develop updated databases of current vs. past resellers
- On-Site installation of the devices at business establishments.

Apart from the technical roles at Junior Achievement, I’ve also had the privilege to represent both myself and Junior Achievement as both guest speaker and panelist at conferences, The Governor General’s I Believe Initiative and the U.W.I Schools of Education Biennial Conference respectively.
